Message from Chairman

Dear Friends and Supporters of Abhinav Samaj,

As we look back on the past year, I am humbled by the dedication and commitment of our team, volunteers, and donors in making a positive impact in the lives of those we serve. Despite the challenges posed by the COVID-19 pandemic, we remained steadfast in our mission to serve the community and create a better future for all.

We continued our efforts in providing support and care for the elderly, distributing food to those in need in slums of Delhi & NCR, working with tribal communities in Uttarakhand, promoting cancer prevention and early detection, and empowering women through health hygiene workshops. In addition, we launched initiatives to promote community radio among grassroots NGOs, provide educational support to students through school bags and stationery kits distribution, raise awareness about organ and blood donation, and advocate for climate change action through tree plantation drives.

None of this would have been possible without the support of our generous donors and partners. Your contributions have helped us make a difference in the lives of countless individuals and communities. I am grateful for your continued support and hope that we can count on your support in the future.

Looking ahead, Abhinav Samaj remains committed to our mission of serving the community and creating positive change. We will continue to work towards our goals with determination and perseverance, and I am confident that together, we can make a meaningful difference.
