Chairman's Message

Dear Members, Supporters, Donors and Well-Wishers,

It gives me immense pleasure to present the Annual Report of ABHINAV SAMAJ for the year 2025–26. As we reflect upon another year of dedicated service, I am proud of the significant strides our organization has made in improving the lives of the elderly, underprivileged children, patients and other vulnerable sections of society.

Our free old age homes continued to provide shelter, nutritious food, healthcare, emotional support and a sense of belonging to destitute and abandoned senior citizens. The smiles and blessings of our elderly residents remain our greatest source of inspiration.

Our free food distribution program at government hospitals across Delhi/NCR supported thousands of poor patients and their attendants, bringing comfort and relief to many families during difficult times.

We strengthened our education and skill development initiatives by distributing books, stationery and study materials to underprivileged children living in slum communities, helping them continue their education with confidence.

Our legal aid initiatives also empowered elderly citizens and marginalized individuals by helping them understand and exercise their rights.

One of our most meaningful humanitarian initiatives continues to be the **Asthi Visarjan Sewa** for unclaimed and destitute individuals. With utmost dignity and spiritual reverence, we have performed the final rites and immersion of ashes of thousands of unclaimed souls at Sati Ghat, Kankhal, Haridwar (Uttrakhand). Once a year, we also perform Pind-Daan of these unclaimed souls at Gaya Ji (Bihar) with full respect and dignity.

These achievements would not have been possible without the generous support of our donors, volunteers, partner organizations, government agencies, healthcare institutions and dedicated staff members. I extend my heartfelt gratitude to each one of them.

As we move forward, ABHINAV SAMAJ remains committed to expanding its outreach and strengthening its programs to serve more people in need. Together we can build a society where compassion, dignity and social justice are accessible to all.

I thank all our stakeholders for their continued support and invite you to join us in our journey of service and nation-building.

With sincere gratitude and warm regards,

(Chairman)

Overview of ABHINAV SAMAJ

ABHINAV SAMAJ is a registered non-profit organization (RNPO) established on 7 April 2010 under the Trust Act by the Government of NCT of Delhi. Founded by a group of retired government officers, professionals, businesspersons and socially committed individuals the organization was born out of a shared concern for the growing neglect of elderly citizens and other vulnerable sections of society. Since its inception **ABHINAV SAMAJ** has remained steadfast in its mission of serving humanity with compassion, dignity and dedication.

Brief History

The inspiration behind the establishment of **ABHINAV SAMAJ** came from the personal and professional experiences of its Founder **Shri G.K.Gupta**, a retired Grade-I Officer of the Government of Delhi. During his government service he encountered numerous heartbreaking incidents involving elderly parents who had been abandoned, neglected or left without support by their own children. One such incident involving an elderly woman abandoned by her son deeply affected him and became the turning point in his life and inspired him for the creation of an organization dedicated to restoring dignity, care and hope to destitute senior citizens.

ABHINAV SAMAJ is dedicated to upholding the National Policy for Elderly 2011 and has done numerous works towards this end following the standards already set by the International Plan of Action on Ageing and the conventions, recommendations and resolutions of the International Labour Organization, the World Health Organization and other United Nations entities. **ABHINAV SAMAJ** adheres to the principles recommended by United Nations for Country National Programs and believes in, has been striving for Independence, Participation, Care, Self-fulfilment and Dignity for older people. **ABHINAV SAMAJ** has undertaken a number of activities for ensuring that older people are able to have access to adequate food, water, shelter, clothing and health care through the provision of income, family and community support and self-help.

With the support of like-minded colleagues and social workers **ABHINAV SAMAJ** was formally established in 2010. Initially, the organization focused on providing free shelter, food, healthcare and emotional support to homeless and destitute elderly persons through its old age home. Over the years its activities expanded significantly to address other pressing social needs, including healthcare, education, food security, legal aid, skill development and other humanitarian services.

Our Journey

During the past sixteen years **ABHINAV SAMAJ** evolved into a multifaceted social welfare organization serving millions of beneficiaries across Delhi/NCR and beyond. The organization has continuously adapted its programs to respond to emerging community needs while maintaining its core commitment to elderly welfare.

Its major areas of work include:

Elderly Care:	Providing free shelter, nutritious food, medical care, counselling and rehabilitation for destitute senior citizens through old age homes.
Healthcare Services:	Organizing free medical camps in collaboration with reputed hospitals, including specialist consultations, health screenings, diagnostic services and awareness programs.
Free Food Distribution:	Supplying freshly cooked and nutritious meals to poor patients and their attendants at government hospitals across Delhi/NCR ensuring that no one remains hungry while seeking medical treatment.
Educational Support:	Distributing books, stationery, school bags, uniforms and educational materials to underprivileged children living in slums and economically weaker communities.
Training and Skill Development:	Conducting certificate courses in elderly care, hospice care and geriatric care for college students to develop a skilled workforce capable of serving India's growing elderly population.
Legal Aid:	Organizing free legal awareness and legal aid camps, particularly for senior citizens and economically weaker sections to promote access to justice.
Asthi Visarjan Sewa:	Respectfully collecting the ashes of unclaimed and destitute deceased persons from crematoriums across Delhi/NCR and performing their final rites with full dignity at Sati Ghat, Kankhal, Haridwar followed by traditional rituals ensuring that even the abandoned receive a respectful farewell.
Pind Daan & Shraadh Sewa:	Once in a year we performs Pind Daan and Shraadh at Gaya Ji (Bihar) for the unclaimed and destitute souls whose last rituals (immersion of their ashes) were performed by us at Sati Ghat, Kankhal, Haridwas during the year.

Commitment During Challenging Times

ABHINAV SAMAJ has consistently demonstrated its commitment to humanitarian service during times of crisis. During the COVID-19 pandemic, the organization extended emergency relief by providing meals, medicines, oxygen support, grocery kits, protective equipment, counselling and assistance to families severely affected by the pandemic. This period reinforced the organization's belief that compassion, community participation and timely intervention can transform lives.

Looking Ahead

The financial year 2025–26 presented new operational challenges including funding constraints yet **ABHINAV SAMAJ** remained committed to its mission of serving society. Guided by the values of compassion, transparency, accountability and respect for human dignity the organization continues to strengthen its programs through partnerships with hospitals, educational institutions, corporate CSR initiatives, volunteers and generous donors.

As **ABHINAV SAMAJ** moves forward, it remains dedicated to building a society where every elderly person lives with dignity, every child has access to education, every needy individual receives timely support and every human life is valued with compassion and respect. The organization reaffirms its commitment to expanding its social impact and creating sustainable change for the most vulnerable members of society.

Our Mission

The mission of **ABHINAV SAMAJ** is to serve humanity with compassion, dignity and commitment by improving the quality of life of the elderly, underprivileged and marginalized sections of society. The organization strives to create an inclusive and caring community where every individual, irrespective of age, social status or economic background has access to basic necessities, healthcare, education, justice and opportunities for a life of dignity.

ABHINAV SAMAJ is committed to provide comprehensive care and rehabilitation for destitute senior citizens through free old age homes that offer shelter, nntritious food, healthcare, emotional support and a safe, family-like environment. The organization believes that every elderly person deserves respect, security and compassionate care in the later years of life.

The mission further extends to promoting accessible healthcare by organizing free medical camps, preventive health awareness programs and partnerships with reputed hospitals to ensure that quality medical services reach economically weaker communities. Through its daily free food distribution programme at government hospitals the organization seeks to ensure that no poor patient or attendant suffers from hunger while undergoing medical treatment.

Our Vision

1/8th of the Worlds Elderly Population lives in India. Most of them will never retire in the usual sense of the term and will continue to work as long as physically possible. Inevitably though the disability to produce and earn will decline with age, the absence of savings will result in sharp declining in living standards and that for many means destitution. Therefore this is the challenge of old age income security in India.

As a result of the current ageing scenario there is a need for all aspects of care for the Oldest Old (80+ years) namely, socio economic, financial, health and shelter.

The vision of **ABHINAV SAMAJ** is to build a compassionate, inclusive and equitable society where every individual - especially the elderly, the underprivileged and the marginalized - can live with dignity, security, good health and equal opportunities. We envision a society where no elderly person is abandoned or neglected, every child has access to quality education, no patient or attendant suffers from hunger while seeking medical care and every vulnerable individual receives timely support, protection and respect. Through our dedicated efforts we aspire to create to create communities that uyhues the compassion, social justice and collective responsibility.

ABHINAV SAMAJ seeks to become a leading and trusted social welfare organization by delivering sustainable programs in elderly care, healthcare, education, legal aid, humanitarian assistance and skill development. We aim to inspire greater community participation, strengthen partnerships with government agencies, corporate CSR initiatives, healthcare institutions, educational organizations, volunteers and encourage a culture of service and philanthropy.

Our vision also extends to promoting dignity throughout every stage of life - including ensuring respectful last rites for unclaimed and destitute individuals through our humanitarian initiatives. We believe that every human being deserves care, compassion and respect irrespective of age, economic status or social background.

Driven by the principles of humanity, integrity, compassion, transparency and excellence **ABHINAV SAMAJ** strives to create lasting social impact and contribute to the development of a healthier more caring and self-reliant India. Through continuous innovation, dedicated service and community empowerment we remain committed to transforming lives and building a future where no one is left behind.

ACTIVITIES DURING 2025-26

Elderly Care Support

ABHINAV SAMAJ provides comprehensive care and support to destitute senior citizens through its old age homes. Residents receive free shelter, nutritious food, medical care, counselling and rehabilitation in a safe, family-like environment.
The organization believes that every elderly person deserves respect, security and compassionate care in the later years of life.

Hospice Care

Recognizing the unique needs of elderly persons suffering from terminal illnesses **ABHINAV SAMAJ** continued to provide compassionate hospice care during 2025–26. The objective of hospice care is not only to manage illness but also to ensure comfort, dignity, emotional peace and quality of life during the final stages of life.

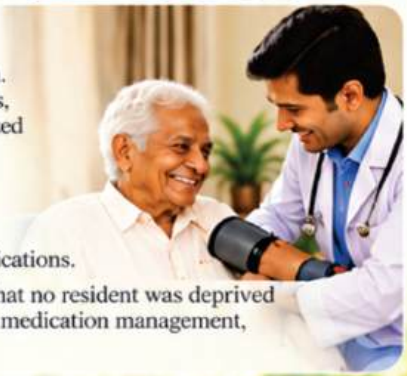
Residents requiring end-of-life care receive compassionate nursing support, pain management, nutritional assistance, emotional counselling, spiritual guidance and continuous companionship. The organization also extends emotional support to family members whenever available, helping them cope with grief and difficult decisions while ensuring that every individual spends their final days with dignity, comfort and respect.

Palliative Care Services

ABHINAV SAMAJ's palliative care program focuses on improving the quality of life of elderly persons suffering from chronic, progressive or life-limiting illnesses. The programme emphasizes relief from pain and distressing symptoms while addressing psychological, emotional and social concerns.

Residents receive individualized care plans that include pain management, symptom control, nutritional support, physiotherapy, counselling, mobility assistance and regular monitoring. The multidisciplinary approach adopted by the organization enables elderly residents to live with greater comfort, independence and emotional well-being despite prolonged illness.

Medical Support

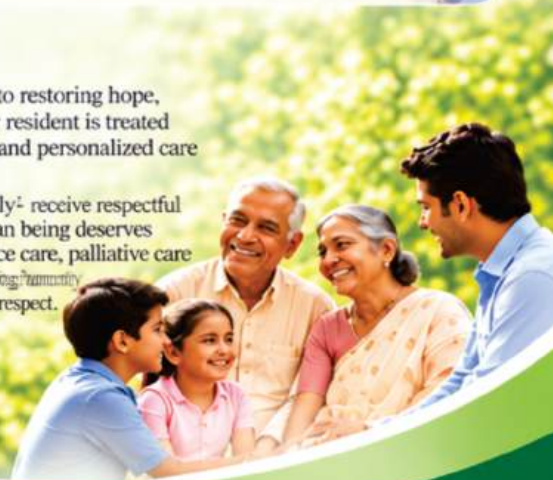


Healthcare remains an integral component of **ABHINAV SAMAJ**'s elderly care program. Throughout 2025–26 residents received regular health check-ups, medical consultations, diagnostic investigations, medicines and referrals to reputed hospitals whenever specialized treatment was required.

The organization ensured continuous monitoring of chronic diseases such as diabetes, hypertension, arthritis, cardiovascular disorders, respiratory illnesses and age-related disabilities. Preventive healthcare measures, vaccination support, physiotherapy, nutritional counselling and health awareness sessions were also conducted to promote healthy ageing and reduce preventable complications.

Emergency medical assistance and hospitalization were arranged whenever necessary, ensuring that no resident was deprived of timely medical attention due to financial limitations. Dedicated caregivers assisted residents in medication management, daily living activities, follow-up consultations and rehabilitation after illness.

A Life of Dignity and Compassion



Beyond providing shelter and healthcare **ABHINAV SAMAJ** remains committed to restoring hope, belonging and dignity to elderly persons who have been neglected by society. Every resident is treated as a valued member of the **ABHINAV SAMAJ** family where compassion, respect and personalized care form the foundation of every service.

Even after death the organization ensures that elderly residents who have no family receive respectful last rites according to their religious traditions, reaffirming its belief that every human being deserves dignity throughout every stage of life. Through its comprehensive elderly care, hospice care, palliative care and medical support programs **ABHINAV SAMAJ** continues to uphold its mission of serving humanity with compassion and creating a society where every senior citizen can age with security, comfort and respect.

Free Old Age Homes

JAI MA DURGA OLD AGE HOME and ABHINAV SEWA SADAN

Providing a safe, secure and dignified home for abandoned and destitute senior citizens has been the flagship mission of **ABHINAV SAMAJ** since its inception. During the financial year 2025–26 the organization continued its commitment to providing free residential care through its old age homes ensuring that elderly persons who have been neglected, abandoned or left without family support receive compassionate care and a life of dignity.

JAI MA DURGA OLD AGE HOME

Established in 2011, Jai Maa Durga Old Age Home at C-147, Uday Vihar, Chander Vihar, Nilothi Extn., Nangloi, New Delhi-110041 was the first residential elderly care project initiated by **ABHINAV SAMAJ**. The home was founded with the objective of providing free shelter, nutritious food, medical care and emotional support to destitute and homeless senior citizens irrespective of caste, religion, gender or economic background. Since its establishment the home has served as a sanctuary for hundreds of elderly persons who had nowhere else to go.

The home provides a comprehensive range of services including:

- Free residential accommodation in a safe and family-like environment.
- Fresh, nutritious meals prepared with proper dietary care.
- Regular medical check-ups, medicines and specialist consultations.
- Assistance with daily living activities and personal hygiene.
- Physiotherapy and mobility support for elderly residents.
- Emotional counselling, companionship and recreational activities.
- Celebration of festivals, birthdays and cultural programs to reduce loneliness and promote social inclusion.
- Spiritual care and emotional well-being through prayer, meditation and community interaction.
- Respectful last rites according to the resident's religious beliefs when no family members are available to perform them.

More than just a shelter Jai Maa Durga Old Age Home has become a place where elderly residents regain confidence, security and the warmth of a caring family.

ABHINAV SEWA SADAN

In order to expand its elderly care initiatives and meet the growing demand for residential care **ABHINAV SAMAJ** established Abhinav Sewa Sadan at 64, Behind Hind Bal Mandir School, Dharampura, Najafgarh, New Delhi-110043. The new facility further strengthened the organization's ability to provide free accommodation and holistic care to senior citizens who have been abandoned or are living without adequate support.

Abhinav Sewa Sadan offered:

- Free shelter and boarding facilities.
- Nutritious meals served daily.
- Regular health monitoring and medical assistance.
- Medicines and referral services for specialized treatment.
- Hospice and palliative care support for chronically ill and terminally ill elderly residents.
- Physiotherapy, counselling and rehabilitation services.
- Recreational, cultural and social activities that encourage active ageing.
- A peaceful, respectful and homely atmosphere where every resident is treated with love and dignity.

The facility became an important centre for elderly welfare, ensuring that vulnerable senior citizens receive not only physical care but also emotional, psychological and social support.

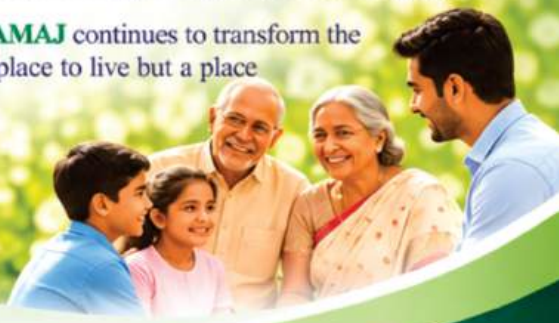
However Abhinav Sewa Sadan closed within one year of its inception due to shortage of funds and logistics due to unsupportive behavior of area residents but we are still prepared to start Abhinav Sewa Sadan again at some other supportive locality.

A Commitment Beyond Shelter

The old age homes operated by **ABHINAV SAMAJ** are founded on the belief that every elderly person deserves to age with dignity, security and respect. The organization adopts a holistic approach to elderly care by integrating residential support with healthcare, hospice care, palliative care, nutrition, counselling, recreation and social engagement.

Dedicated caregivers, volunteers, medical professionals and supporters work together to create a compassionate environment where every resident feels valued and cared for. Even in the final stages of life, residents are provided with comfort, companionship and dignified end-of-life care. In the unfortunate event of a resident's demise without family support **ABHINAV SAMAJ** ensures that all last rites are performed according to the individual's religious traditions, reflecting its unwavering commitment to human dignity.

Through Jai Maa Durga Old Age Home and Abhinav Sewa Sadan, **ABHINAV SAMAJ** continues to transform the lives of abandoned and destitute senior citizens by providing them not merely a place to live but a place they can truly call home.



Impact of Free Old Age Homes

ABHINAV SAMAJ's free old age homes provide a safe, caring and dignified environment for elderly persons who are vulnerable, abandoned, or without adequate family support. Through our homes, including Jai Ma Durga Old Age Home and Abhinav Sewa Sadan, residents receive essential support such as shelter, nutritious food, medical care and compassionate assistance.

The impact goes beyond meeting basic needs. Our homes help restore dignity, security, emotional well-being and a sense of belonging among elderly residents. Regular care and attention enable them to live with greater comfort and peace, while access to medical support helps address their health needs.

Through sustained care and community support, **ABHINAV SAMAJ** strives to ensure that no elderly person is left without shelter, care or human companionship. Our free old age homes represent our commitment to "Care with Dignity, Service with Compassion."

Free Education Support to Street Children

Building Bridges Between Generations Through Education

ABHINAV SAMAJ continued its Free Education Support Program for Street and Underprivileged Children during 2025–26. The program is conducted at the organization's old age homes, creating a unique environment where education and compassion come together to benefit both children and senior citizens.

Many children living in nearby slum settlements and economically weaker communities face significant barriers to education due to poverty, lack of learning resources and limited academic support. To address these challenges, **ABHINAV SAMAJ** provides free educational assistance aimed at helping children continue their studies and build a brighter future.

THE PROGRAM INCLUDES

- Free tuition and academic support in a safe and nurturing environment.
- Distribution of books, notebooks, stationery, school bags and other learning materials.
- Basic computer awareness and digital learning opportunities wherever available.
- Personality development, moral education and life skills sessions.
- Health and hygiene awareness to promote overall well-being.
- Recreational and cultural activities that encourage creativity, confidence and teamwork.

A distinctive feature of this initiative is the meaningful interaction between the children and the elderly residents of the old age homes. Senior citizens actively engage with the children by sharing their life experiences, cultural values, stories and moral lessons. These interactions foster mutual respect, reduce loneliness among the elderly and help children develop empathy, discipline and respect for elders.

ABHINAV SAMAJ believes that education is the most effective tool for breaking the cycle of poverty and empowering children to become responsible and self-reliant citizens. Through continuous academic guidance, encouragement and access to essential educational resources the organization strives to improve school attendance, enhance learning outcomes and inspire children to pursue their dreams with confidence.

During 2025–26 the Free Education Support Program continued to make a meaningful impact by providing not only educational assistance but also hope, care and opportunities to children who need them the most. By nurturing young minds while simultaneously enriching the lives of senior citizens, **ABHINAV SAMAJ** is building stronger communities founded on compassion, knowledge and shared human values.

SPECIAL COMMUNITY ENGAGEMENT

During 2025–26, Adobe India invited 59 poor underprivileged children to participate in their 'Project Smile Community League 2025' program celebrated at their Noida establishment. All the children enjoyed several sports, cultural and entertainment activities.

Impact of Free Education Support to Street Children

ABHINAV SAMAJ's free education support initiative aims to provide underprivileged and street-connected children with opportunities to learn, grow and build a better future. By providing books, study materials, educational assistance and a supportive learning environment, the program helps children overcome some of the barriers that prevent them from accessing education.

The initiative has contributed to greater interest in learning, improved access to educational resources, confidence and social inclusion among the children supported. By connecting education with care and encouragement, **ABHINAV SAMAJ** seeks to help children develop essential knowledge and life skills and move towards greater self-reliance.

The program reflects our belief that every child deserves the opportunity to learn, dream and build a dignified future, irrespective of their socio-economic circumstances.

Free Food Distribution Program
at Government Hospitals
Serving Hope - One Meal at a Time

The Free Food Distribution Program has been one of the flagship humanitarian initiatives of **ABHINAV SAMAJ** reflecting the organization's unwavering commitment to ensuring that no poor patient or attendant suffers from hunger while seeking medical treatment. For several years the program has provided freshly cooked, hygienic and nutritious meals free of cost to economically weaker patients and their family members at government hospitals across Delhi/NCR.

Government hospitals receive thousands of patients every day, many of whom travel from distant villages and towns for specialized medical treatment. Their attendants often spend days or even weeks at hospital premises, exhausting their financial resources on medicines, investigations and treatment. In such circumstances even arranging a single nutritious meal becomes a challenge. Recognizing this urgent need **ABHINAV SAMAJ** has worked tirelessly to ensure that patients and their caregivers receive healthy meals with dignity, compassion and respect.

The program focused on:

- Distribution of freshly prepared, hygienic and nutritious meals to poor patients and their attendants.
- Ensuring food quality, cleanliness and balanced nutrition.
- Providing relief to economically weaker families during prolonged hospital stays.
- Reducing the financial burden on families so that their limited resources could be utilized for medical treatment.
- Extending compassion and emotional support to families facing medical emergencies.

Reach and Impact

Over the years this initiative has benefited millions of needy individuals and has become a symbol of hope for families struggling with illness and poverty. Between 2022–23 to 2025–26 **ABHINAV SAMAJ** distributed more than **18.25 lakh free meals** at government hospitals across Delhi/NCR making it one of the organization's largest community service programs.

Suspension During 2025–26

However during the financial year 2025–26 the organization faced severe financial constraints due to the non-availability of adequate funding and the loss of foreign funding support following the non-renewal of its FCRA License. Despite every effort to sustain the program through donations and voluntary contributions **ABHINAV SAMAJ** was compelled to suspend its regular hospital meal distribution services **after July, 2025**. This difficult decision was taken solely because of resource limitations and not due to any reduction in the organization's commitment to serving the needy.

Way Forward

Although the program remained suspended for most of 2025–26 **ABHINAV SAMAJ** continues to regard hospital food assistance as one of its highest priorities. The organization remains committed to reviving this flagship initiative with the support of individual donors, corporate CSR partners, philanthropip institutions and well-wishers. It firmly believes that access to a nutritious meal during illness is a basic humanitarian necessity and that no patient or caregiver should be forced to choose between purchasing medicine and buying food.

A Life of Dignity and Compassion

The Free Food Distribution Program stands as a testament to **ABHINAV SAMAJ**'s enduring philosophy of "Service to Humanity is Service to God." The organization remains hopeful that, with renewed public support and sustainable partnerships, this life-changing initiative will once again provide comfort, nourishment and hope to thousands of poor patients and their families in the years ahead.

Impact of Free Food Distribution AT GOVERNMENT HOSPITALS

ABHINAV SAMAJ's free food distribution program provides fresh, nutritious and hygienically prepared meals to poor patients, attendants and other vulnerable people visiting government hospitals. The initiative helps families who may struggle to meet their basic food needs while dealing with medical treatment and prolonged hospital stays.

The program provides immediate food security, relief and emotional support to people during difficult circumstances. Volunteers distribute meals with care and respect, helping beneficiaties feel supported and treated with dignity.

Through this initiative, **ABHINAV SAMAJ** seeks to ensure that no person facing hardship at a government hospital has to remain hungry. The program reflects our commitment to compassionate service and to supporting vulnerable communities with dignity and humanity.

Antim Sanskar Sewa for Destitute Individuals

Honouring Every Life with Dignity and Respect

The **Antim Sanskar Sewa** is one of the most compassionate humanitarian initiatives undertaken by **ABHINAV SAMAJ** reflecting its unwavering belief that every individual deserves dignity and respect not only during life but also after death. The programme is dedicated to ensuring that destitute, abandoned, homeless and unclaimed individuals receive a respectful and dignified final farewell when no family members or relatives are available to perform their last rites.

During the financial year 2025–26 **ABHINAV SAMAJ** continued to extend this noble service by coordinating with hospitals, local authorities, police departments and crematoriums to perform the final rites of destitute deceased persons in accordance with legal procedures and religious customs. The organization recognizes that poverty, abandonment and social isolation should never deprive any individual of the fundamental human dignity associated with a respectful funeral.

Whenever information regarding an unclaimed or destitute deceased person was received, volunteers of **ABHINAV SAMAJ** worked in close coordination with the concerned authorities to complete all necessary formalities before arranging the cremation. The organization provided all essential support required for the funeral, including transportation of the deceased, funeral materials, cremation expenses and the performance of religious rituals by qualified priests wherever applicable.

The **Antim Sanskar Sewa** extends beyond the cremation itself. Following the funeral **ABHINAV SAMAJ** continues its humanitarian commitment through its **Asthi Visarjan Sewa**, under which the ashes of unclaimed and destitute individuals are respectfully collected from crematoriums and immersed at Sati Ghat, Kankhal, Haridwar(Uttrakhand) after performing the prescribed religious rituals. This ensures the complete observance of traditional last rites and provides spiritual dignity to those who had no one to remember them.

Asthi Visarjan Sewa

Restoring Dignity to the Forgotten

The **Asthi Visarjan Sewa** of **ABHINAV SAMAJ** is one of the organization's most unique and compassionate humanitarian initiatives. It reflects the belief that every individual deserves dignity and respect, not only during life but also after death. Through this service **ABHINAV SAMAJ** ensures that the mortal remains of unclaimed, unidentified and destitute deceased persons are accorded the final rites that every human being deserves.

Across Delhi a large number of unclaimed bodies are cremated every year. In many cases the ashes/remains are abandoned at crematoriums because there are no family members or relatives to perform the customary last rites. Recognizing this deeply humanitarian concern **ABHINAV SAMAJ** initiated the **Asthi Visarjan Sewa** to provide a dignified farewell to those who have no one to remember them.

During the financial year 2025–26 the organization continued this sacred service with dedication and reverence. Volunteers of **ABHINAV SAMAJ** regularly coordinated with crematoriums across Delhi to respectfully collect the ashes of unclaimed and destitute deceased persons. The ashes were carefully preserved and transported to Sati Ghat, Kankhal, Haridwar (Uttrakhand) where the final religious rituals and **Asthi Visarjan** (immersion of ashes) were performed in accordance with Hindu traditions by qualified priests and volunteers.

Every ceremony was conducted with complete respect, devotion and solemnity. Traditional prayers and other prescribed rituals were performed to ensure that each departed soul received a dignified farewell. The organization treated every individual equally irrespective of caste, religion, gender, social status or economic background reaffirming its commitment to the universal values of humanity and compassion.

Since the launch of this initiative **ABHINAV SAMAJ** has performed the **Asthi Visarjan** of more than **2,564** (817 in 2024-25 and 1747 during 2025-26) unclaimed and destitute individuals, ensuring that those who left this world without family or support were remembered with honour and respect. This remarkable humanitarian effort has received appreciation from the community and stands as a powerful expression of the organization's philosophy that every human life deserves dignity and every departed soul deserves peace.

The **Asthi Visarjan Sewa** also serves as a reminder of society's collective responsibility towards the forgotten and the abandoned. By performing these final rites **ABHINAV SAMAJ** not only fulfils a religious and cultural obligation but also restores humanity to those who would otherwise have been left without remembrance.

This unique initiative reflects the core values of **ABHINAV SAMAJ**—compassion, humanity, equality and respect for every human life. It serves as a reminder that society has a collective responsibility towards its most vulnerable members even after death. By performing the last rites of abandoned and destitute individuals the organization restores dignity to those who would otherwise remain forgotten.

Through the dedicated efforts of its volunteers, donors and supporters **ABHINAV SAMAJ** continues to uphold the principle that every life is precious, every person deserves respect and every departed soul deserves a dignified farewell. The **Antim Sanskar Sewa and Asthi Visarjan Sewa** remains a profound expression of the organization's commitment to humanitarian service and its mission of serving society with compassion at every stage of life.

Guided by the values of compassion, service and respect for human dignity **ABHINAV SAMAJ** remains committed to continuing this noble initiative in the years ahead. Through the support of its volunteers, donors and well-wishers the organization hopes to ensure that no departed soul remains forgotten and that every individual receives a respectful and dignified final farevell.

Impact of Antim Sanskar Sewa and Asthi Visarjan Sewa

ABHINAV SAMAJ's Antim Sanskar Sewa and Asthi Visarjan Sewa reflects our commitment to ensuring dignity and respect for individuals who die die without adequate family support or whose last rites remain unattended. The initiative provides compassionate assistance in completing the last tiet rites of destitute and unclaimed persons and in carrying their ashes for immersion with due dignity.

The service provides respectful closure and dignity to the departed, while also offering relief to communities and authorities responsible for handling unclaimed remains. Through sincere service and adherence to appropriate religious and social practices, **ABHINAV SAMAJ** seeks to ensure that no individual is denied dignified last rites because of poverty, abandonment or lack of family support.

The initiative has also strengthened a culture of compassion, social responsibility and respect for human dignity, demonstrating that every life deserves to be honored even after death.

"In life we serve with compassion; in death we ensure dignity."

Plantation Program

Nurturing Nature, Protecting Our Future

During the financial year 2025–26 ABHINAV SAMAJ undertook a Plantation Program as part of its commitment towards environmental protection and sustainable development. Under this initiative **4,500** plants were planted at identified locations with the active participation of volunteers and community members.

The plantation program was undertaken with the objective of contributing to a greener and healthier environment. Trees and plants play a vital role in improving air quality, absorbing carbon dioxide, supporting biodiversity, reducing heat and creating healthier surroundings for present and future generations.

The initiative also sought to promote environmental awareness and community participation. Through the program ABHINAV SAMAJ encouraged people to understand their responsibility towards nature and to adopt environmentally responsible practices in their daily lives.

Key Achievement – 2025–26

- **4,500** plants planted
- Promotion of environmental protection and greenery
- Community and volunteer participation
- Awareness regarding the importance of trees and sustainable living
- Contribution towards creating a cleaner, greener and healthier environment

Impact of Plantation Program

ABHINAV SAMAJ's Plantation Program is an important initiative towards environmental protection, ecological sustainability and community awareness. During 2025–26, the organisation planted **4,500 saplings** as part of its commitment to creating a greener and healthier environment.

The plantation initiative contributes to increasing green cover, supporting cleaner air, enhancing local biodiversity and promoting awareness about the importance of trees and environmental conservation. It also encourages communities and volunteers to take an active role in protecting nature.

Beyond the number of saplings planted, the program seeks to cultivate a lasting sense of environmental responsibility among people and inspire collective action for a sustainable future.

The Plantation Program reflects the belief of ABHINAV SAMAJ that social welfare extends beyond human needs and includes the protection of the natural environment on which all life depends. By planting and nurturing trees today the organisation seeks to contribute to a greener, healthier and more sustainable tomorrow.

"Plant a tree today, nurture a greener and healthier tomorrow."

Neki Ki Deewar Program

Sharing Warmth, Spreading Kindness

ABHINAV SAMAJ conducts the **"Neki Ki Deewar"** program during the winter season at several locations to support poor, needy and vulnerable people. Under this initiative, warm clothes such as sweaters, jackets, blankets and other essential winter wear are collected and distributed among those who cannot afford adequate protection from the cold.

The program promotes the spirit of sharing, compassion and social responsibility, while ensuring that donated clothing reaches people who need it most. Through **Neki Ki Deewar, ABHINAV SAMAJ** seeks to bring warmth, dignity and hope to underprivileged communities during the harsh winter months.

Key Highlights – 2025–26

- Collection and distribution of warm clothes such as sweaters, jackets, blankets and other essential winter wear
- Support to poor, needy and vulnerable people
- Community participation and donations
- Promotion of sharing, compassion and social responsibility
- Bringing warmth, dignity and hope during the winter season

Impact of Neki Ki Deewar Program

The **Neki Ki Deewar** program of **ABHINAV SAMAJ** provides meaningful support to poor, needy and vulnerable people during the winter season. Distribution of warm clothes and other winter essentials helps protect beneficiaries from severe cold and provides them with greater comfort and dignity.

Beyond immediate relief, the program encourages community participation, sharing and compassion, motivating people to donate usable clothes for those in need. It also strengthens the spirit of social responsibility and promotes a culture where surplus resources are shared with disadvantaged members of society.

Overall, **Neki Ki Deewar** contributes to making winter safer and more dignified for vulnerable communities.

Share Today, Bring Warmth to Someone's Tomorrow.

FINANCIAL OVERVIEW

Financial Report of **ABHINAV SAMAJ**'s financial analysis reveals the organization's fundraising activities, expenditure and its commitment to accountability and transparency.

In the Financial Year 2025-2026 **ABHINAV SAMAJ** received substantial contributions from donors, sponsors, and supporters. These resources were wisely allocated to enhance and maintain our diverse programs, aiding the most disadvantaged segments of society. Our financial report offers a comprehensive analysis of expenditures, guaranteeing transparency and accountability to all stakeholders.

SOURCE OF FUNDING

Domestic Contributions:
ABHINAV SAMAJ successfully raised Rs. **20,98,761** from domestic sources. These funds likely came from individual donors, fundraising events and other local sources.

Foreign Contributions:
This year no Foreign Contribution received due non-renewal of our FCRA Licence which is still under consideration now.

EXPENDITURE ALLOCATION

Program Expenses:
ABHINAV SAMAJ allocated Rs. **14,57,441** directly to various programs aimed at benefiting the community. Additionally groceries worth Rs. **58,63,564** were brought forward from FY 2024-25 to current year. Therefore expenses of 14,57,441 plus groceries worth Rs. 58,63,564 were utilized during the financial year 2025-26.

Administrative & Management Expenses:
An Amount of Rs. **5,59,768** was spend on Administrative and Misc. expenses. include office rent, utilities, legal fees and other operational costs. An expense of Rs. **2,79,266** was spent toward Salaries of Staff.

Such programs directly contribute to the organization's mission and have a positive impact on the target beneficiaries.

INTERNAL AND EXTERNAL AUDIT

ABHINAV SAMAJ maintains an internal and external audit system. This indicates a commitment to financial accountability and the implementation of checks and balances. Internal audits help ensure compliance with financial policies and procedures while external audits provide an independent assessment of the organization's financial statements.

COMPLETE ACCOUNTABILITY AND TRANSPARENCY

By emphasizing complete accountability and transparency, **ABHINAV SAMAJ** demonstrates its commitment to responsible financial management. This commitment is crucial in maintaining the trust of donors, stakeholders and the community at large.

To perform a comprehensive financial analysis it is essential to review the organization's Audited financial statements including the Balance Sheet, Income & Expenditure statement and cash flow statements.

For transparency our complete Audit Report is available on public domain/our website.

OUR GRATITUDE

We would like to express our sincere gratitude to all the individuals, organizations and donors who have supported **ABHINAV SAMAJ** in our various initiatives and activities aimed at improving the lives of vulnerable communities in India. Your contributions have made a significant impact in providing elderly care and support, educational support, food distribution support, legal aid support, antim sanskar sewa, asthi visarjan sewa and plantation support.

We would also like to thank our dedicated team of staff, volunteers and partners who have worked tirelessly to ensure the success of our initiatives. Your commitment and dedication have been instrumental in achieving our goals and making a positive impact in the communities we serve. Finally, we would like to thank the government of India and the various state governments for their continued support in our efforts towards creating a more equitable and just society. We look forward to continued collaboration and partnership in the future.

Thank you once again for your support and commitment towards creating a better future for all."
