Message from the Chairman

Dear Friends, Supporters and Well-Wishers,

As I reflect on the past year, I am filled with immense pride and gratitude for the work Abhinav Samaj has accomplished in 2023-2024. Our mission has always been to serve those who need us the most, and this year we have made significant strides in uplifting senior citizens, underprivileged children and the homeless.

At Jai Ma Durga Old Age Home, we continue to provide a sanctuary for elderly individuals who have no one to care for them. It is heartwarming to see our senior residents living with dignity and joy in a safe, loving environment. Our dedicated team ensures that their physical, emotional, and social needs are met, making sure they never feel alone.

Our efforts in supporting underprivileged children have also been impactful. The joy in a child's eyes when they receive books, stationery and the promise of a better future drives us to continue this important work. Education is the cornerstone of a better society, and we are committed to ensuring that every child, no matter their circumstances has the opportunity to learn and thrive.

Additionally, our Free Meal Program has provided comfort to thousands of homeless individuals and needy patients near hospitals. Hunger is a harsh reality for many, but thanks to the generous support of our donors and volunteers, we have been able to provide nutritious meals year-round.

The monthly meetings we organize for senior citizens have created a strong sense of community, offering them a space for connection, guidance, and support. These meetings have proven to be a lifeline for many elderly individuals who otherwise would have no one to turn to.

As we move forward, I want to extend my heartfelt thanks to every donor, volunteer, and partner who has supported us. Without your belief in our mission, none of this would have been possible. Together, we are making a difference, and together, we will continue to build a better future for those who need it most.

With gratitude and hope,

G.K. Gupta

OUR FLAGSHIP PROGRAM

Jai Maa Durga Old Age Home

ABHINAV SAMAJ proudly operates the Jai Ma Durga Old Age Home at C-147, Uday Vihar, Chander Vihar, Nilothi Extn., Nangloi, New Delhi-110041 a sanctuary for elderly individuals who are often forgotten or have no one to care for them. The home is more than just a shelter; it is a place where senior citizens find not only a roof over their heads but also warmth, care, and dignity. Over the past year, the old age home has been a safe heaven for 50 senior citizens providing them with a holistic environment that caters to their physical, emotional and mental well-being.

Key Achievements:

- Expansion of Healthcare Services:

Understanding that health is a critical concern for the elderly, we have significantly expanded our healthcare services at Jai Ma Durga Old Age Home. Residents now benefit from regular medical check-ups, ensuring that any health issues are promptly addressed. We have also introduced weekly physiotherapy sessions to help those with mobility challenges or chronic pain, enabling them to maintain a better quality of life. Additionally, mental health counselling has become a core component of our care, providing emotional support and helping residents navigate the challenges of aging.

- Engaging Recreational Activities:

We believe that staying mentally active and socially engaged is vital for the overall well-being of our senior citizens. To ensure this, we have organized monthly recreational activities that bring joy and engagement to our residents. These include cultural events, religious gatherings and storytelling sessions where residents share life stories and experiences. These activities not only keep their minds sharp but also foster a sense of camaraderie and community among the residents helping them feel connected and valued.

- Celebration of Festivals:

Festivals are an essential part of our culture, and at Jai Ma Durga Old Age Home, we make sure that our senior citizens do not miss out on the joy of celebration. This past year, we celebrated festivals like Diwali, Holi and Independence Day with great enthusiasm. The festive decorations, traditional rituals, and shared meals created a vibrant and joyful atmosphere in the home. These celebrations help residents feel connected to their traditions and foster a sense of belonging and unity.

The impact of these activities has been profound, with residents expressing a renewed sense of purpose and happiness. The support and care provided at Jai Ma Durga Old Age Home have turned the facility into not just a place to live, but a place to thrive in one's golden years.

Through continuous efforts to improve our services and create a nurturing environment, ABHINAV SAMAJ remains dedicated to ensuring that the elderly are cared for with the respect and love they deserve.

Supporting Underprivileged Children

One of the core missions of ABHINAV SAMAJ is to empower underprivileged children by addressing their educational needs. Recognizing that education is the key to breaking the cycle of poverty, our organization has worked tirelessly to ensure that children living in slums and economically disadvantaged areas receive the support they need to stay in school and succeed academically. Throughout the year, we reached over 1,000 children across Delhi and NCR, distributing essential stationery and book materials and providing educational support to those who need it most.

Our initiatives aim not only to provide physical resources but also to create an environment where education is seen as a valuable and achievable goal for every child, regardless of their socio-economic background.

Key Initiatives:

- Stationery and Book Distribution Drives:

Understanding the financial challenges faced by families in slum areas, ABHINAV SAMAJ regularly organizes quarterly distribution drives to supply children with the tools they need for school. These drives provide children with notebooks, pens, pencils, textbooks and other essential learning materials which are often out of reach for many families. By ensuring that children have these basic resources, we help remove one of the barriers that can lead to school dropout. The distribution drives take place in various slum areas including remote and underserved communities ensuring that our efforts reach those who need it most.

Awareness Programs:

Alongside our distribution efforts we recognize the importance of creating awareness about the value of education within these communities. To this end, ABHINAV SAMAJ conducts workshops and awareness programs that target both children and their parents. These programs emphasize the long-term benefits of education including better job opportunities and improved quality of life.

We focus on changing mindsets especially in communities where education is often seen as secondary to immediate economic needs. By involving parents in the conversation we encourage them to prioritize their children's education and support their continued school enrolment.

- Educational Support:

Recognizing that access to materials alone is not enough, we also provide direct educational support to children who need help with their studies. In collaboration with local schools and a dedicated team of volunteers, ABHINAV SAMAJ offers after-school tutoring and mentorship programs. These programs focus on improving academic performance, helping children understand their schoolwork and boosting their confidence in subjects where they may be struggling. Our volunteers work closely with the children offering guidance and encouragement to help them stay on track with their education.

- Mentorship and Career Guidance:

As part of our broader educational initiative, we have also introduced mentorship programs for older children, aimed at helping them plan their academic and career paths. Through these programs, we connect students with professionals and mentors who can guide them in making informed decisions about their future whether it be pursuing higher education or vocational training. This support is particularly critical for children in slum areas where access to career guidance is often limited.

- Community Involvement and Volunteerism:

Our efforts are strengthened by the active participation of the community. ABHINAV SAMAJ regularly engages volunteers both from local communities and from educational institutions to help deliver our programs. These volunteers play a crucial role in organizing events, conducting tutoring sessions and providing mentorship. Their involvement not only helps extend our reach but also fosters a sense of community solidarity and collective responsibility for the future of our children.

- Success Stories and Impact:

Our commitment to supporting underprivileged children has already borne fruit with many success stories emerging from the communities we serve. Children who once struggled to stay in school are now excelling in their studies, thanks to the support they receive from ABHINAV SAMAJ. Parents, too, have become more invested in their children's education and we have seen a notable decrease in dropout rates in the areas where we work.

The impact of our programs is far-reaching. By ensuring that children have access to education and the resources they need to succeed we are helping to build a brighter future not only for these children but for their families and communities as well.

Looking Ahead:

As we continue our work, ABHINAV SAMAJ remains committed to expanding our reach and deepening our impact. We plan to extend our educational support to even more children across Delhi and NCR with a focus on integrating digital literacy into our programs to prepare students for the future. Our long-term vision is to create sustainable educational pathways for every child we serve, ensuring that they have the opportunity to rise above their circumstances and achieve their full potential.

FREE MEAL DISTRIBUTION

ABHINAV SAMAJ remains steadfast in its mission to combat hunger and provide relief to the most vulnerable segments of society through our Free Meal Distribution program. With a focus on supporting homeless individuals and needy patients near hospitals in Delhi & NCR this initiative ensures that those who are struggling with hunger have access to nutritious meals. The program operates year-round and is one of the cornerstones of ABHINAV SAMAJ's work, positively impacting the lives of thousands of people every year.

Key Highlights:

- Daily Meal Distribution:

Our Free Meal Distribution program is a lifeline for many who are facing difficult times. Over the past year, we served more than 100,000 meals across Delhi and NCR with a primary focus on homeless individuals and patients undergoing treatment in hospitals as well as their families. These groups often face significant financial strain and are unable to afford food while dealing with medical emergencies. Our daily meal distribution ensures that they have access to sustenance during their toughest moments. We operate at multiple locations, particularly near large public hospitals where the need is most acute.

- Nutritional Support:

At ABHINAV SAMAJ we believe that everyone deserves not just food, but healthy, balanced meals that contribute to their overall well-being. Our meal plans are designed to provide balanced nutrition, including carbohydrates, proteins and essential vitamins and minerals. We serve freshly cooked meals that are both nourishing and satisfying, helping recipients maintain their health during challenging times. By focusing on nutritional content, we aim to prevent malnutrition and related health issues among those we serve, particularly the homeless and patients who are already in vulnerable health conditions.

- Emergency Response:

The Free Meal Distribution program also plays a critical role during emergencies, such as natural disasters, pandemics or unexpected crisis that exacerbate hunger in the community. For instance, during the COVID-19 pandemic, we ramped up our meal distribution efforts to meet the increased demand for food among those who had lost their livelihoods or were stranded due to lockdowns.

Our rapid response during such times ensures that no one is left behind, and hunger does not add to the burdens of already difficult circumstances.

- Volunteer Engagement:

The success of our Free Meal Distribution program is driven by the dedication and compassion of our volunteers. These individuals, from various walks of life come together to prepare, pack and distribute meals every day. Their tireless efforts ensure that the program runs smoothly throughout the year. Volunteers also play an important role in connecting with the recipients offering a kind word or smile and making sure that each person feels valued. Our volunteer network continues to grow reflecting the community's deep commitment to helping those in need.

- Collaboration with Local Vendors:

In order to sustain our operations and ensure the regular supply of fresh ingredients, we have partnered with local vendors and food suppliers. These partnerships allow us to source quality ingredients at lower costs, making our program more sustainable in the long term. Additionally by collaborating with local vendors we support small businesses and foster a sense of community involvement in our cause.

- Stories of Impact:

The impact of the Free Meal Distribution program can be seen in the stories of the individuals we serve. From a homeless man who expressed gratitude for the regular meals that helped him survive a harsh winter to a patient's family who was relieved to receive nutritious food during their loved one's hospital stay, the program touches countless lives. These stories inspire us to continue our work and remind us of the profound difference that a simple meal can make in someone's life.

Looking Ahead:

As we move forward, ABHINAV SAMAJ remains committed to expanding the reach of our Free Meal Distribution program. Our goal is to serve even more meals in the coming year ensuring that no one in our community goes hungry. We are exploring new partnerships and fundraising opportunities to enhance the program's sustainability and scale. Additionally we plan to introduce mobile kitchens to reach more remote areas and underserved communities, bringing our services directly to those in need. Through this ongoing initiative, ABHINAV SAMAJ continues to fulfil its mission of serving the less fortunate and ensuring that everyone regardless of their circumstances has access to the basic human right of food.

Monthly Meetings for Senior Citizens

ABHINAV SAMAJ remains dedicated to enhancing the well-being of senior citizens in our community. One of our key initiatives is the organization of monthly meetings specifically tailored for the elderly. These meetings are more than just gatherings; they serve as crucial platforms for care, support and social interaction addressing the unique challenges faced by senior citizens.

Program Highlights:

- Health and Wellness Workshops:

During our monthly meetings, we conduct a series of health and wellness workshops designed to empower senior citizens with the knowledge they need to improve their quality of life. These workshops cover essential topics such as chronic disease management, nutrition, and mental health. Senior citizens receive guidance from healthcare professionals, physiotherapists and wellness experts to help them lead healthier lives. Regular health check-ups are also provided as part of these workshops, ensuring that participants can monitor and manage their health conditions effectively.

- Legal and Financial Counselling:

In addition to health workshops, ABHINAV SAMAJ offers legal and financial counselling sessions for senior citizens. These sessions address common issues faced by the elderly, such as pension management, property rights and protecting themselves from elder abuse. Our experts provide personalized advice, helping seniors navigate complex legal and financial matters. These efforts ensure that they are well-informed and better equipped to make important decisions related to their personal lives.

- Community Bonding:

One of the most valuable aspects of these monthly meetings is the strong sense of community they foster. Many senior citizens face loneliness and isolation especially those without close family or friends. Our meetings offer a safe space for them to connect with others in similar situations, share their experiences and build meaningful relationships. By creating a supportive and caring environment, we help reduce the emotional burden that often accompanies aging, making our senior citizens feel valued and included in the community.

Senior Citizen Membership Drive

To broaden our support network for senior citizens, ABHINAV SAMAJ initiated a membership drive this year. We invited elderly individuals to become official members of our organization, allowing them to regularly participate in our programs and access resources tailored to their needs. Membership involves a self-decided small contribution, which encourages a sense of ownership and involvement among the participants. As a result of this drive, over 100 new senior citizens joined ABHINAV SAMAJ as members, further strengthening our community outreach. These new members now benefit from our monthly meetings, health services, legal counselling and social events. The membership drive has also allowed us to identify and address the needs of a larger segment of the senior population ensuring that more people receive the support they require.

Community Engagement and Awareness

In addition to our focused efforts on senior citizens, ABHINAV SAMAJ has been actively engaged in raising awareness across the broader community on issues such as elder care, child education and food security. Through a series of campaigns, workshops and seminars, we have worked to educate the public and advocate for the rights and needs of vulnerable populations.

Awareness Campaigns:

- **Elder Care:** Our campaigns highlight the importance of caring for the elderly and ensuring that their rights and dignity are protected. We engage with families, caregivers, and the public to promote awareness of the challenges faced by senior citizens encouraging a more compassionate and supportive society.

- **Child Education:** ABHINAV SAMAJ is also deeply committed to promoting education for underprivileged children. Our campaigns emphasize the critical role education plays in breaking the cycle of poverty and improving life outcomes. We work with parents, schools and community leaders to encourage school enrollment and reduce dropout rates among children in slum areas.

- **Food Security:** Hunger and malnutrition remain significant issues in our society, and ABHINAV SAMAJ is dedicated to combating them through our Free Meal Distribution program. Our food security campaigns raise awareness about the prevalence of hunger and encourage community involvement in helping to address this pressing issue.

By actively engaging with the community, ABHINAV SAMAJ ensures that our mission extends beyond direct service. We strive to create a more informed, compassionate, and supportive society where the needs of the elderly, underprivileged children and the homeless are recognized and addressed by all. Through our efforts we aim to foster a culture of care and responsibility where every individual regardless of their circumstances is given the opportunity to lead a dignified and fulfilling life.

- Campaigns Conducted:

- World Senior Citizen's Day: Celebrated with events and workshops focusing on elder care and respect for the elderly.
- Back-to-School Campaign: Encouraged donations of educational materials and highlighted the need for continued support for underprivileged children's education.
- Food for All Campaign: Promoted awareness about hunger in urban areas and mobilized community resources to expand our free meal program.

It is through their kindness and belief in our mission that we have been able to reach so many lives in need. On behalf of our entire organization we extend our deepest gratitude to everyone who has contributed to our cause in 2023-2024.

We would like to extend a special thanks to GiveIndia and Benevity for their crucial role in enabling us to expand our reach and impact this year. Their platforms have been instrumental in connecting us with compassionate donors and providing the financial support needed to continue our work. Through their innovative and trustworthy donation channels we have been able to make real, tangible differences in the lives of those we serve.

- **GiveIndia:** Your platform has allowed us to engage with a wider donor community that believes in the power of giving back. The funds raised through GiveIndia have been vital in sustaining our various programs, including the daily free meal distribution, educational support for underprivileged children and the maintenance of Jai Ma Durga Old Age Home. Your support has directly contributed to improving the lives of countless individuals in need and for that we are sincerely grateful.

- **Benevity:** Your commitment to promoting social good has been a beacon of hope for nonprofits like ours. Through your workplace giving programs you have connected us with employees and companies who share our vision of creating a more compassionate and inclusive society. The donations and grants facilitated through Benevity have empowered us to continue providing essential services to senior citizens, homeless individuals and underprivileged children. We also wish to thank all our individual donors, volunteers and local partners who have supported us in various capacities. Whether it was through financial contributions, volunteering time or offering expertise, each act of generosity has made a significant impact on our work.

Lastly we extend our heartfelt gratitude to the community we serve. Your resilience, trust and courage inspire us every day to continue striving for a better world. Together we are not just an organization but a family committed to lifting each other up and creating a future where everyone can thrive.

Thank you for standing with us in our journey. We look forward to continuing this work with your support and together making a lasting difference in the lives of those who need it most.

With deep gratitude,
